

ACTIVATE BREAKTHROUGH ONLINE BUSINESS LAUNCH POST- Day 1 on Launch

What is your Why?

I came up with this prompt for you all with the help of AI Chat-GPT as an outline that you can fill in with your own story.

-Read through it and fill in the sections it tells you to fill in. Once it's all filled in, reword it to fit your own language, how you normally speak. Definitely make it your own because facebook algorithm doesn't like repetitive content circulating the online space.

-Once it's ready for posting, add a nice picture of yourself with a nice background or a nice selfie. Add the @everyone to your post to make sure all your friends see your post.

-Make sure you share your post in the telegram under ABA Post /Page Seasoning Chat so we can all show some LOVE, COMMENT and support all of you.

***PLEASE READ THIS POST BELOW AND DO NOT COPY AND POST IT AS YOUR POST.**

What is your WHY?

Today I want to open up and share with you a glimpse into my heart and purpose. My 'why' in life is deeply rooted in my faith and my God vision.

For me, it's all about [insert your personal mission or purpose]. This journey is not just about achieving goals or success in the eyes of the world, but about [explain how your purpose is spiritually meaningful].

I believe that God has placed a unique vision in my heart: [describe your God vision, whether it's a mission, a calling, or a specific way you feel guided by your faith]. This vision is my guiding light, my source of strength, and my reason for every step I take.

I'm sharing this with you all today because I want you to know that my journey here on social media is not just about sharing content, but about [express how your social media presence aligns with your 'why' and God vision]. It's about [mention the impact you hope to make].

I'm excited to continue this journey with you all, and I hope that as I share more about my 'why' and God vision, it resonates with some of you too. Let's support each other as we navigate life's twists and turns, always keeping our faith and purpose at the forefront.

If you feel comfortable, I'd love to hear about your 'why' and what inspires you. Let's uplift and encourage one another on this beautiful journey of faith and purpose.

Kingdom Wealth Principles Quotes

“Money is neither good nor bad. It is the positioning of our hearts towards money that makes it good or evil. so how much money is unholy? Well the answer to that is which ever amount takes your eyes and heart away from the lord.

For some it can be \$100. For others it could be 100,000. And another it could be a million dollars.” - Kingdom Wealth Principles by Jason Verdera

“Life’s struggles and challenges happen for you and not to you. They help pave the way to a new, stronger, more refined version of us.” - Kingdom Wealth Principles by Jason Verdera

“What are you having to face today? If it's feeling a little tough, then get excited because you are going to grow through what you are going through.” - Kingdom Wealth Principles by Jason Verdera

“Money is a poor master but an excellent servant. God wants us to have money, not for money to have us.”-Kingdom Wealth Principles by Jason Verdera

“While money is the vehicle that helps us obtain the things that enrich our lives, money is not the goal. The goal is to have the freedom to spend time with the Lord, with the ones that we love, and the ability to help others and help ourselves in all situations. Automation is the key to having both your time and money.” - Kingdom Wealth Principles by Jason Verdera

"Weak desires create weak results in our life."

"God wants to be able to trust you to steward His unlimited resources. We must be faithful in the small things if we want Him to trust us with the big things."- Kingdom Wealth Principles by Jason Verdera

Activate Breakthrough Academy Online Business Launch Day 3 -Facebook Live about a struggle that you were able to overcome

Go Facebook live for about 10 to 20 minutes either during lunch time or in the evening. You will be sharing a struggle that you were able to overcome. Try to be transparent and share how it truly made you feel. People love to listen to people that speak from their heart.

Title the Facebook live: “Hard to share my Struggle Testimony but here I am!” Or “Major Struggle I was able to overcome!”

Make sure you add @everyone In the title to make sure all your friends see this fb live.

Let the ABA community know in the telegram ABA Post / Page Seasoning Chat that you will be going Facebook live about 15 minutes prior to the live so the ABA community can show you some love and support on your live.

Before your fb live, make sure you think about what you will be saying. You can start off by greeting your audience and asking them to comment below where they are tuning in from or comment if they are catching the replay. This is to help your fb live with engagement so fb shows this fb live to many of your followers. As you're speaking, also see who is commenting and communicating with you through the comments. People love it when you communicate with them while you're on the Facebook live. It keeps them engaged and wanting to stay on your live and there's a higher chance of them coming on to your future fb lives. I created this prompt with AI to help you come up with what to share on your fb live. Make sure when you share your story it sounds like you. Just use this as an outline on the points of the story to touch on. You can even share a scripture that helped you push through and overcome your struggle.

🌟💪 Sharing My Struggle and Triumph 💪🌟

I want to open up and share a part of my journey that was marked by a significant struggle. Life isn't always easy, and we all face challenges that test our strength.

One of my most challenging moments was when [describe the specific struggle you faced]. It felt like I was in the midst of a storm, with no clear path forward. I remember feeling [describe your emotions and thoughts during this difficult time].

I didn't give up. I found the inner strength to [explain the steps you took to overcome the struggle]. It wasn't easy, and there were moments when I wanted to quit, but I kept pushing forward.

Through [describe the lessons or personal growth you experienced], I not only overcame that obstacle but also emerged stronger, wiser, and more resilient. It taught me that [share the valuable insight or wisdom you gained from the experience].

I'm sharing this with you all because I want to remind you that challenges are a part of life, but they don't define us. We have the power to overcome, to grow, and to thrive. If you're currently facing a struggle, remember that you're not alone, and there is strength within you!

“I can do all things through Christ who strengthens me.”-Philippians 4:13
