INSTRUCTIONS: HOW TO USE ABA HONEY POT POSTS

What is a Honey Pot Post?

Honey Pot Posts are strategic social media posts designed to bring in potential clients interested in our online business opportunity. They feature a clear call to action, inviting readers to learn more about Activate Breakthrough Academy. Not every post you share should be a Honey Pot Post - they're part of a balanced content strategy.

How Often Should You Share a Honey Pot Post?

For optimal engagement and effectiveness, share a Honey Pot Post after every 3rd regular post. This frequency helps maintain interest without overwhelming your audience.

Photo Tips:

First things first, don't let perfectionism hold you back! Focus on these key points:

- 1. Clarity and Brightness:** Make sure your photos are clear and well-lit. If you are indoors, make sure your face is facing an open window to get the best lighting.
- 2. Align with Your Ideal Client Avatar:** If you haven't completed Business Launch 1, review the Ideal Client Avatar section first. Your photos should resonate with your target audience:
 - Parents attracting parents: Share more family-oriented photos
 - Single entrepreneurs targeting similar demographics: Post images of travel and remote work scenarios
- 3. Authenticity:** Your photos should reflect your real life and business journey. This builds trust and relatability with your audience. Be yourself always!
- 4. Variety:** Mix up your photo styles to keep your feed interesting. Include selfies, lifestyle shots, behind-the-scenes glimpses. Every Honey Pot Post specifically should have you in it!
- 5. Branding:** Try to maintain a consistent look and feel across your photos to strengthen your personal brand.
- 6. Call-to-Action:** Ensure your photo complements the post's message and call-to-action.

Remember, the goal is to attract and engage your ideal clients. Your photos should tell a story that resonates with them and supports your message about the opportunities available through Activate Breakthrough Academy.

Don't let perfection be the enemy of good. Consistent, authentic posting is more valuable than sporadic, overly-polished content. Start where you are, and grow as you go!

You can be content and thankful for where you are today and still be absolutely expectant and excited about what's to come!

Contentment does not mean settling. Don't ever settle for anything but THE BEST because that's what God wants for you. Nothing less.

Contentment is about being grateful and proud for how far God has taken you, and even more excited about how far you'll go.

Romans 8:37 - in all things we are more than conquerors through Him that loves us. If there are no plans in the works that have you excited about the future, then you might just need to change your circle.

That's why I love my circle of abundant Christian entrepreneurs. They push me to dream bigger, inspire me to take action and support me when times get tough.

I need big dreamers in my circle who've got my back!

If you feel the same, type CIRCLE in the comments. You become who you surround yourself with! Choose wisely.

Just out here recognizing my value in the marketplace, visualizing my biggest dreams and going after them! Child of God, why are you letting people's opinions and your fears hold you back?

God has made it very clear that a person who multiplies what they are given are "Good and faithful servants" and will be entrusted with even more!! If you're not sure about it, go back and read the parable of the talents (Matthew 25:14-30).

That calling for more IS God... If you've tried before, if you've had to build alone, that isn't the case this time.

I've been there...And then I realized it was all for such a time as this!!

Because now I have the tools for success and the knowledge to use the tools.

Now I'm finally surrounded by abundant Christians who are building an online business just like me and celebrate my wins and teach me when I lose.

I've already made back my initial investment and I promise you, you won't find a more affordable entry into entrepreneurship.

You know you're feeling the call, praying for God to confirm it, and I truly believe this is your sign. Comment BREAKTHROUGH and I'll send you the info for our private academy.

I know we're not perfect as NO one is but super thankful for the sanctification process us Christians go through...

We really can CHANGE.

A beautiful transformation that takes place when we take our thoughts captive and surrender them and our heart to God.

When you realize God wants the BEST for you. And I mean, really the best! That's the beginning of faith filled activation in your life!

God doesn't want us stuck in a poverty mindset, He wants you to thrive in your relationships, finances, health, marriage, and so much more. He came to give you life and life abundantly (John 10:10)!!

I truly enjoy seeing the transformation in all areas of my life.

It has been a joy.

I am entering a new phase in my life which, I'm not going to lie, is SCARY... But also so exciting!

Can't wait to share more with you...

Have you been feeling in your heart strongly that God has called you for greater change? Type CHANGE in the comments below and I'll share what's been helping me activate change in my life.

How do you view MONEY?

Here are some MONEY Bible scriptures that talk about how God views money:

1. "For the love of money is the root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs." - 1 Timothy 6:10
2. "No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money." - Matthew 6:24
3. "For where your treasure is, there your heart will be also." - Matthew 6:21
4. "One gives freely, yet grows all the richer; another withholds what he should give, and only suffers want." - Proverbs 11:24
5. "Honor the LORD with your wealth, with the firstfruits of all your crops; then your barns will be filled to overflowing, and your vats will brim over with new wine." - Proverbs 3:9-10
6. "The wicked borrow and do not repay, but the righteous give generously." - Psalm 37:21

I love these scriptures because it teaches us that our attitudes towards money and how we use it reflects our relationship with God. Money isn't meant to be an end goal. It should be a tool for advancing God's Kingdom.

When we see money as a way to serve God's purposes, we align ourselves with His desires.

When we align ourselves with HIS desires, guess what?!
He blesses us with even more!!

My money journey is to be used mightily for HIS purpose... To be blessed to be a blessing!!

If you feel the same comment BLESSED and I'll share with you the blueprint I'm using to Biblically increase my own finances.

It's time for God's people to Rise Up in the marketplace!

****PHOTO IDEA: A PHOTO OF YOU HOLDING AN OPEN BIBLE IN ONE HAND AND SOME MONEY IN THE OTHER, SYMBOLIZING THE BALANCE BETWEEN FAITH AND FINANCES.**

It blows my mind that there is still such a negative narrative around Christians unapologetically building in business and thriving financially and providing for their families with excellence.

Proverbs 13:22 says a good man leaves an inheritance to their children's children.

Did you read that? Their children's, children. That's generational wealth... An overflow, an outpouring of wealth.

While many Christians are satisfied leaving their kids with nothing or worse, with debt. That's not Biblical!

If you're a Christian entrepreneur or feeling called into business, know this account is for you.

And so is my private academy for Christian entrepreneurs where over 550 of us are building WEALTH in a healthy, BIBLICAL way.

Just the WORD, a powerhouse community, and a proven blueprint to build a PROFITABLE and AUTOMATED online business.

Comment ACTIVATE! I'll send the deets on how to get started.

In entrepreneurship, we must take responsibility for our own actions. I have been guilty of this myself...

I've been the person that has blamed others for the life and results I didn't have.

I couldn't do it because they didn't help me.

Why did they make it harder for me?

I can't do it because of them!

We are human and not perfect, but the key is to be aware of it. To recognize that it's wrong and fix it. Nobody owes you anything!

We can't put our dependence on others for what God has called us to do. We have to make the determination to make it happen, no matter what obstacles are in the way.

The responsibility is your own and no one else's!

My community of Kingdom entrepreneurs has taught me so much about taking the steering wheel behind my own life and taking it where I want to go with intention.

If you're ready to get behind the steering wheel of your life, I would love to share with you what's helping me. Comment KINGDOM and I'll show you how.

Do it for you.

Do it for your children.

Set the example for those that are watching.

One day your children will need that bulletproof mindset for their own life.

Create a change that will last generations.

If you're not exactly where you want to be right now...

Know this:

Gods not done with you.

He has the most amazing vision for your life.

But you are exactly where you are because of the culmination of the choices that you've made. God graciously gave us free will, so we get to choose.

If you want something different, you need to make different choices.

Choices that will stretch you into the person God created you to be. One that is full of influence, full of contribution and full of fulfillment.

That is exactly the type of people I surround myself with in my private community for Christian entrepreneurs.

Christians who are dedicated to building their online business and creating a life of excellence that represents God well.

Type BELIEVER in the comments if you desire to do the same.

When you build your dream that God gave you along with Him, God will lead your every move. Trust in him... He makes a way.

Standing firm in your WORD LORD.

Don't limit yourself.

You don't serve a limited God, and He doesn't put a limit to the gifts and blessings that He wants for you.

Matthew 21:22 - And whatever you ask in prayer, you will receive, if you have faith.

There's nothing too big that you can ask of Him. He can do it ALL.

Luke 1:37 - For nothing will be impossible with God.

Even if you don't see the full path, take the first step. When you take action, He will show you the next step and then the next.

2 Corinthians 5:7 - For we walk by faith, not by sight.

JUST BELIEVE. If God said it, it will not fail you.

Romans 10:17 - So faith comes from hearing, and hearing through the word of Christ.

We're helping Christians create, launch and scale their online business. Whether you're a beginner or a seasoned entrepreneur, this is for you.

On the other side of the enemy whispering lies about starting a KINGDOM ONLINE BUSINESS ... Lies like doubt, fear, how you will fail, you don't have time, you're tired, money is evil, you're not smart enough for this, people will think you're a wannabe entrepreneur, people will think you're weird, I can't do this blah blah blah...

...IS YOUR FINANCIAL BREAKTHROUGH.

Why do you think the enemy tries so hard to deceive you and get you from staying on the right path?

He doesn't want you fulfilling your God purpose over your life.

I have seen it time and time again... Every time we come under spiritual warfare, there is breakthrough on the other side. We're close to entering our new season that the LORD has for us. We are aware of this now, praise God!

If we weren't aware of the enemy's schemes, we would believe all the lies of the enemy and stay exactly where we are. Allowing him to manipulate our life and keep us from progressing.

Make sure you hold all those lies captive and throw them into the abyss where they belong. You are a Man or Woman of God that has the mind of Christ to push through those lies and fulfill God's FULL plan over your life. Speak His WORD and truth over your life instead.

Some of the goals our people have:

- Pay off Home Loan
- Pay off \$10K+ Credit Card loan
- Pay off \$10K+ Auto Loan
- Church Planting
- Sow into their own ministry
- Plan a family vacation
- Quit their job that burns them out
- Freedom to volunteer more at church
- Freedom to spend more time with their families
- Time to Homeschool their kids
- Time Freedom to evangelize where God calls

If you have any of these goals in your heart or have a new goal where 10K in 30 days would definitely help achieve that goal type: "10K" and I'll send you the info.

You don't want to be the spectator while everyone around you is winning and achieving their goals...

Be the doer, the action taker, the one in your family that breaks that cycle of poverty and takes your bloodline to the next level

The one that takes your family from a place of lack, living paycheck to paycheck into stewarding their finances and investing towards making it grow and multiplying it in Jesus' Mighty name!

Then once you do all that, pour into your brothers and sisters to help them do the same.

I remember when I started to make money as a side hustle; it was mind blowing! I was in awe that I can make money online with just learning and taking action!

Congrats to all who are really committed to transform their finances and multiply their talents. To not only prosper in their own lives but for the Kingdom of God!

Many want to flourish in their finances, but few are those who are willing to commit, take action and sacrifice the instant gratifications for it! I'm here to encourage you not to settle and go after all of God's promises he has for you! The full, abundant plan God has for you!

If you have a heart for God and want to create an online income that will also glorify Him, there's still time to REGISTER! If you'd like to see if you qualify type "GLORY" and I'll message you the info!

When people tell me they need to get their finances right before they invest in the business...

My heart aches because if they only would be open to a shift in their mindset, an even greater opportunity for them to get their finances right (like, amazingly beyond what they think is possible) is waiting on the other side. If they are willing to believe and take action...

My heart has such a PASSION to see the KINGDOM community thriving!

I don't blame anyone who has this mindset because that's how I used to think too..

I needed to change.

My priorities were way off.

We must make sure we have our priorities straight and really align ourselves with God's plan for us. We need his wisdom.

I remember when I preferred to spend on coffee every morning, go out to eat, spend on clothes I didn't need, spend on unnecessary items for the home that I thought I "needed" and the list goes on and on... When in fact I should have been gathering those funds to invest in a business.

Your circle has a massive impact on your mindset and results! 👥

Surround yourself with people who have HUGE goals and a passion for making an impact, and it will rub off on you. Their drive, ambition, and hunger for growth becomes contagious.

But surround yourself with those who have NO goals, NO plans for improvement or acceleration? That lazy, stagnant energy will sadly rub off instead.

Your community matters! Choose wisely who you let speak into your life. Whose attitude and actions are you allowing to influence you daily?

If you're ready to level up this year and surround yourself with other Christ-centered go-getters committed to growth and impact, type "LETS GO!" below.

Don't just wish for a breakthrough year. Purposefully cultivate the mindset and momentum required by joining the right tribe! It's time to soar, believer!

Hebrews 10:38-39 “But my righteous one will live by faith. And I take no pleasure in the one who SHRINKS BACK. But we do not belong to those who shrink back and are destroyed, but to those who have FAITH and are SAVED.”

Shrinking back will only bring regret...

Beloved, I want to be transparent @followers

Maybe about 2 weeks ago the enemy tried to feed me lies from the pit of hell!

Ever since I started my online business, the enemy tried to creep in and tell me, “What are you trying to do here? This is something too big to handle. You can’t do this. It’s too BIG!”

As soon as I heard this, I was like WHAT! That is not how I normally think and believe... My faith is pretty STRONG and I know that I can do anything with God on my side! It’s God Himself doing it through me as I follow and am obedient to His plan.

I immediately knew these were the lies of the enemy because he wants me to shrink back so then GODS PLAN does not come forth...

I immediately rebuked it in Jesus' Mighty name.

It’s super important to hold our thoughts captive because “The thief comes to steal and kill and destroy and Jesus has come to give us life, and have it fully.” John 10:10

What does he want to steal, kill and destroy?

You’re marriage, financial blessings, health, family and kill you through suicidal thought. I know more people have had these thoughts than they would ever likely admit.

I share this so you know that NO ONE is free from the enemies lies (not even Jesus himself) and deceit! We must be aware of his schemes and lies! Always alert and prepared with the Armor of God.

Felt called to share this for anyone that may have received similar thoughts from the enemy! I love you and don’t believe those lies of the enemy as you are a mighty warrior for the King of Kings if you’ve surrendered your life to Jesus Christ.

You will move forward and fulfill the plan God has for you and you will hear the beautiful words from God, “Well done, my good and faithful servant.” Keep battling the enemy with prayer and God’s Word daily.

ATT: Christian Entrepreneurs

How much faith do you have for God's promises in your life? Are you living in the promised land flowing with milk and honey? Or do you feel like you're still struggling in the wilderness?

In Numbers 13, the Israelites scouted the promised land and came back with a negative report. They said, the land indeed is flowing with milk and honey, but the people who live there are powerful and they are stronger than we are. And because of that they did not claim the promised land and struggled in the desert for 40 years.

God promises you too a life flowing with milk and honey. A life that lacks nothing and overflows with abundance.

But many times we approach life like that of the Israelites who gave a bad report. In fear of the giants you must slay to lay claim of your promised land. Giants like, laziness, procrastination and fear. But God says rise up so He can bless you.

In Numbers only 2 people had the faith to conquer the promised land (Caleb and Joshua). And because of that, they were the only ones who were able to step foot on the promised land 40 years later.

Our Kingdom community and online biz are building up an army of Caleb's and Joshua's. We just passed **(Input the Activate Breakthrough FB group Members count)** Kingdom entrepreneurs and growing.

How much more money per month do you need to live your IDEAL life?

For most people, that number is not THAT HIGH. But the idea of having it is NEXT TO IMPOSSIBLE.

Typical behavior patterns teach us...

1. Get a 2nd job and literally work till you die
2. Go back to school and drown yourself deeper in debt to work for a different boss who will probably appreciate you just as little as the others
3. Climb the corporate ladder so that next year you can afford to add guacamole to your burrito bowl without blinking an eye.

NO NO NO!!!

There are countless more options than that!

Whether your ideal life is going to cost you an extra \$500, \$2000, \$10,000 or \$100,000 a month... Your ideal life is achievable and you are WORTHY of it so GO GET IT!!

Every day you say NO to your dream.

You push your dream back another six months, maybe even a few years...

The only thing that holds people back is FEAR.

FEAR of Failure
FEAR of Rejection
FEAR of Losing Face

FEAR is the biggest killer of DREAMS.

It's no wonder that we find in scripture the instructions from God to "do not be afraid" 365 times for every day of the year. Coincidence? NO WAY!

But when you realize that every expert was once a beginner... And that with the right MINDSET and MENTORSHIP you can condition yourself to be the best at anything you choose to...

Some Tough Love Talk...

Because I CARE!

In order to improve your life, you must take that first step towards changing it.
What has changed since the beginning of the year?
Are you exactly in the same place or worse?

If you are achieving your goals, then that's AMAZING and I'm proud of you!!

But if you're not...

Are you still hanging out with people who don't support you?
People who doubt you and discourage you from pursuing your dreams?
People that add no value to your life and maybe even drain life out of you?
People that criticize you instead of lifting you up?
People that only add drama into your life?

Just because you've known them for 5,10, 20 years does not mean you have to keep them in the same capacity for the rest of your life.

Have you ever thought maybe that's part of the reason why you're stuck where you are? If you're not achieving your goals, it's likely because you're not surrounding yourself with the right people.

Also, have faith and believe that whatever it is that you want, you can have it (if your heart is right).

Remove the words realistic from your vocabulary. Remove limiting beliefs. Believe the way kids believe. Believe that anything is possible.

Especially when you start, take action and have faith.

Don't wait to take action on what you want to achieve... Start NOW.

I will always be rooting for you.

If you still dread Mondays, listen up! 🗨️

That pit in your stomach every Sunday afternoon? That's your soul's way of telling you there has to be more to life than living for weekends. Existing in a cycle of dread just to get through each work week is NO way for a child of God to spend their precious days!

You were created for greater things - for abundance, passion, and purpose that sets your spirit on fire. A sovereign God breathed dreams and talents into you that are meant to be expressed, not suppressed.

So if you've been settling, if you've been letting the "daily grind" slowly extinguish your light, it's time to make a change. Stop letting fear, doubts, or other people's limitations define your reality.

Take it from someone who once felt that same pit of dread week after week. Until one day, I got tired of merely existing and decided to start truly living instead. No more dread, no more waiting for retirement or those short weekend reprieves.

Every single morning became something to celebrate when I got in alignment with my God-given purpose and potential!

If that sounds liberating, then comment "BREAK FREE" below. I'll share the steps I took to permanently kick that dread and reclaim my enthusiasm for each new day. You owe it to yourself to finally experience lasting joy and fulfillment!

FAITH - is the belief that something good is going to happen even though there's no proof.

Society loves to show off expensive material things as the ultimate "flex". But you know what the real flex is? True freedom and control over your time.

Not having to wake up at the crack of dawn to work for someone else's dreams. Being able to spend quality time with your family whenever you want - random outings with your kids, spontaneous date nights, not having to rush home to cook after a long day's work.

Those are the real flexes that create fulfillment money can't buy.

When your priorities and values align with how you earn a living, that's true wealth. So don't get caught up in society's narrow definition of success through possessions alone. Design a life where your soul feels nourished every single day by prioritizing what truly matters most.

What I love is that because I’m reading the WORD for myself and the Holy Spirit himself is teaching me, then it won’t be so easy to be deceived by the world's teachings.

There truly is a fine line on what the truth is...

Before reading the word of God, I used to read many self-help books. Although they did help in certain areas of my life, I have realized that many stem from the word of God. While others don’t and although they seem innocent and correct on the surface level, they are far from the truth.

The only way we can truly discern the truth is through the Holy Spirit revealing it to you by the Living & Active Word of God.

We can NEVER be deceived when led by the Holy Spirit, our helper.

“But when the Helper comes, whom I will send to you from the Father, the Spirit of truth, who proceeds from the Father, he will bear witness about me.” - John 15:26

Stop simply wanting what you desire in life... it's time to DECIDE how you'll achieve those dreams!

There's a huge difference between wishful wanting and powerful decision-making...

One keeps you stuck, the other propels you into purposeful action.

It's a total game changer!

Years ago, I decided I was done just wanting the life of freedom I craved. I would work tirelessly on building my own business until I could walk in total liberty - the freedom to homeschool my children, to operate my own venture, to travel the world, and ultimately, to bless others in need.

As Proverbs 13:4 states, "The desires of the diligent are fully satisfied." I was determined to be diligent, not lazy, in pursuit of the abundant life I envisioned.

Author Jen Sincero says it best: "You need to go from wanting to change your life to deciding to change your life. If you want to live a life you've never lived, you've got to do things you've never done."

202X can still be YOUR year of total transformation - in your health, finances, mindset, and overall peace. But it starts with a firm decision to stop wandering and start going all-in on the desires God has placed in your heart.

God of Suddenlies

Did you know there are 87 "suddenlies" in the Bible? One powerful example is Acts 16:25-26 (KJV):

"And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them. And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed."

I experienced my own "suddenly" in **Month 202X**. Praise God! 🙌

To receive this suddenly, I surrendered and let God move in my life.

God's plan for you is abundance. He wants you to thrive in every area of your life!

In John 10:10, Jesus says, "I have come that they may have life, and have it to the full." This is a promise of abundance, not just in material things, but in joy, peace, purpose, and so much more.

Too often, we settle for less than God's best. We get caught up in the struggles of life and forget that our Creator wants to bless us beyond our wildest dreams. But when we align our hearts with His and start believing His promises, that's when transformation happens.

It's time to shift our mindset from scarcity to abundance.

From fear to faith.

From settling to soaring.

God's plan is for you to live an extraordinarily abundant life, and it all starts with believing and receiving.

If you're ready to embrace the abundance God has for you, type "ABUNDANCE" in the comments. Let's believe together, encourage each other, and watch our lives change in incredible ways. It's time to step into the fullness of life that Jesus came to give us!

Surround yourself with dreamers.

Proverbs 13:20 says, "Walk with the wise and become wise, for a companion of fools suffers harm." The people you surround yourself with have a profound impact on your life. They can either lift you up or drag you down.

That's why it's so important to find people who inspire you to dream big, take bold action, and support you through the ups and downs of life!

When you surround yourself with visionaries, risk-takers, and faith-filled friends, their courage and enthusiasm will rub off on you... 🎉

On the flip side, if you're constantly around people who are negative, complacent, or stuck in a rut, it's easy to fall into the same patterns. You start to doubt yourself, play it safe, and settle for less than God's best.

But when you have a circle of dreamers who are chasing after God's heart and His purposes, ANYTHING is possible.

You challenge each other, pray for each other, and celebrate each other's victories. You become a force for good in the world, shining Christ's light and love in amazing ways. ★

Contentment is not settling.

In Philippians 4:12-13, Paul writes, "I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation... I can do all this through Him who gives me strength."

Contentment is a powerful thing. It's the ability to find joy and peace in the present, regardless of your circumstances. But sometimes, we confuse contentment with settling.

We think that being content means being complacent, giving up on our dreams, or accepting less than God's best...

But true contentment is NOT about settling.

It's about trusting God, being grateful for what He's done, and having faith for what He's yet to do. It's about finding strength in Him to keep pressing on towards the amazing future He has in store.

So be content, but don't settle.

Be grateful for how far God has brought you, but keep pursuing the more He has for you.

Trust His timing, His wisdom, and His love. And watch Him do exceedingly, abundantly more than you could ask or imagine. AMEN!

If you're ready to embrace true contentment while still pursuing God's best, type "CONTENT" below. Let's encourage each other to trust God's perfect plan as we journey towards all He has for us!

Change is possible.

2 Corinthians 5:17 says, "Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!" Isn't that incredible?

When you give your life to Jesus, you become a brand new creation. The old you, with all its sin, shame, and brokenness, is gone. The new you, filled with Christ's righteousness, joy, and purpose, has come.

This means that no matter your past, no matter your mistakes, no matter how stuck you feel, change is possible. Through the power of the Holy Spirit, you can break free from old patterns, heal from past wounds, and step into the abundant life God has for you.

But change is not always easy...

It requires surrender, perseverance, and a whole lot of grace. It's a journey of daily saying yes to God and no to the things that hold you back. It's a process of letting God mold you, refine you, and transform you from the inside out.

But oh, is it worth it!

Because as you allow God to change you, He will use you to change the world. He will shine His light through you, drawing others to His love and truth. He will empower you to make a difference, to leave a legacy, and to build His kingdom in amazing ways.

If you're ready to embrace the change God wants to bring in your life, type "CHANGE" below. Let's encourage each other on this journey of transformation, cheering each other on as we become all God created us to be!

6 figures CASH in just 3 months! 🤖

My business mentor Jess did this!!

Are these results typical? No.

Not because of the business model - it's actually genius and a step-by-step proven system.

Why? It's because most people don't have the mindset and belief it takes in order to achieve these kinds of results.

I'm actively growing my mindset and belief in what's possible. God of abundance and miracles. It's not about the money, it's about what the money can do. How it can be used as a tool to advance the Kingdom here on earth.

If you're skeptical, that's okay. I used to be too... But this is as REAL as it gets. Are you ready to take the leap? Comment "LEAP" below to learn more.

Stepping into change can be scary.

Joshua 1:9 reminds us, "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."

Change is never easy...

It often means leaving behind the familiar, the comfortable, and the safe. It means venturing into unknown territory, facing new challenges, and risking failure.

But here's the good news: when God calls you to change, He goes with you. He is not sending you out alone, but promising to be with you every step of the way. His presence is your strength, your courage, and your guide!

So when fear tries to hold you back, remember that the Almighty God is by your side.

When doubts creep in, recall His faithfulness and His perfect track record.

When the path ahead seems uncertain, trust that He is directing your steps and working all things together for your good. 🙏

Change may be scary, but it's also exciting!! It's an opportunity to grow, to stretch your faith, and to see God move in mighty ways. It's a chance to step into the new things He has for you, the greater purposes He's prepared you for.

If you're facing change and need some encouragement, type "TRUST" below. Let's remind each other that we can trust God in every transition, every challenge, and every new season. He's got us, and He's got great things in store!

Generational wealth IS Biblical.

Yes, you read that correctly...

Proverbs 13:22 says, "A good person leaves an inheritance for their children's children, but a sinner's wealth is stored up for the righteous."

As believers, we are called to steward our resources wisely, not just for our own benefit, but for the benefit of generations to come. Financial wealth is a tool we can use on earth to sow into the Kingdom of God!! Let's not take it lightly.

This means that the financial decisions we make today have the power to impact our children, our grandchildren, and beyond...

When we handle money God's way, saving diligently, giving generously, and investing wisely, we create a legacy of blessing that can transform lives for years to come.

But generational wealth is about more than just money. It's about passing down faith, values, wisdom, and a heart for God. It's about modeling a life surrendered to Christ, committed to His purposes, and overflowing with His love. It's about raising up a generation that will carry the torch of the Gospel further than we ever could.

Building generational wealth takes intentionality, discipline, and a long-term perspective.

It means making choices today that may not pay off immediately, but will yield fruit for decades down the line. It means prioritizing the eternal over the temporary, and the needs of others over our own desires.

If you're committed to building a legacy that will outlast you, comment "GENERATIONS" below. Let's cheer each other on to good stewardship, Christ centered parenting, and a vision for impacting the world, one generation at a time.

“Most people will never be able to be successful at something like this. It’s almost impossible...”

My answer to this comment:

You’re absolutely correct.

💡 Your thoughts because words... 🧠

🧠 Your words become your actions... 🏃

🏃 Your actions become your habits... 🏆

🏆 Your habits create your life! 🙏

Every thought you’ve made in your life has led you to where you are today. If you’re looking for change - start with your thoughts.

Not just positive thinking... Start renewing your mind DAILY with the Word of God. Positive thinking will only get you so far, but the Living & Active Word of God will TRANSFORM you.

Our God is a God of infinite possibilities. Nothing is impossible or too big for Him. Do you believe that?

You can co-create a successful life in EVERY area of your life with the LORD, but you must renew and shift your thoughts first. Comment INFINITE below to learn more.

Building wealth as a Christian is NOT wrong.

I'm shocked how many Christians believe this lie and stay stuck or struggling financially...😭

Deuteronomy 8:18 reminds us, "But remember the Lord your God, for it is He who gives you the ability to produce wealth, and so confirms His covenant, which He swore to your ancestors, as it is today." God is not opposed to His children prospering. In fact, He delights in blessing us so that we can be a blessing to others.

The key is to build wealth God's way. This means recognizing that everything we have belongs to Him, and we are simply stewards of His resources. It means seeking His wisdom in our financial decisions, being diligent in our work, and generous in our giving.

It means using our wealth not for selfish gain, but for Kingdom purposes. 🔥🙏

When we build wealth with the right heart and the right priorities, it can be an incredible tool for good. It can fund the spread of the Gospel, alleviate poverty, and meet practical needs in our communities and around the world. It can provide for our families and leave a legacy for future generations!!

But building wealth God's way is not always easy. It requires trust, obedience, and a willingness to go against the world's ways. It may mean making sacrifices, taking risks, and being misunderstood by others.

The rewards - both earthly and eternal - are more than worth it.

If you want to learn how to build wealth in a way that honors God, type "WEALTH" below. Let's encourage each other to steward our resources well, live generously, and use our prosperity for His glory.

This all can apply to your KINGDOM BUSINESS 🔥💪👊

“In everything that he undertook in the service of God’s temple and in obedience to the law and the commands, he sought his God and worked wholeheartedly. and so he prospered.” - 2 Chronicles 31:21

Hezekiah was all in when it came to serving God and following the law - he put his heart and soul into everything he did. And guess what? It paid off. God is faithful 🙏

But let me tell you, commitment doesn't come cheap!

Hezekiah had to make some serious sacrifices to make it happen!

1. He had to get rid of his old ways and make some serious lifestyle changes.
2. He had to step out on his own and face the criticism, even when no one else was on board at first.
3. He had to trust in God and believe that all his hard work would pay off in the end.
4. He had to deal with the haters and critics who questioned his every move.
5. He had to give up time, energy, and money to see his plans through.
6. He had to stick to a strict daily routine to make sure everything went according to plan.
7. And let's not forget about the constant pressure to succeed and the fear of failure hovering over him.

But you know what? Despite all the obstacles, Hezekiah never backed down. Praise God 🙏
He was determined to see his mission through and, in the end, he reaped the rewards of his obedience and commitment 🙏 @highlight

Activate your faith. 🏛️🔥

Hebrews 11:6 says, "And without faith it is impossible to please God, because anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek Him."

Faith is not just a nice idea or a comforting sentiment. It is the very foundation of our relationship with God and the key to unlocking His promises in our lives.

But faith is not passive. It's not just mentally agreeing with God's Word or hoping for the best.

Faith is ACTIVE.

It's stepping out in obedience, even when you can't see the full picture. It's trusting God's character and His promises, even when circumstances seem to contradict them. It's living like God's Word is true, no matter what the world says.

This is especially important when it comes to pursuing the dreams and purposes God has placed in your heart. Whether it's starting a business, launching a ministry, or stepping into a new season of life, activating your faith means taking bold, courageous steps forward in obedience to God!

It means pushing past fear, doubt, and the voices that say you're not qualified or equipped. It means being willing to risk failure, knowing that God's grace is sufficient and His power is made perfect in your weakness.

It means fixing your eyes on Jesus, the author and perfecter of your faith, and following Him wherever He leads. 🙏

God wants you to have life abundantly!! 🌳

In John 10:10, Jesus says, "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full." What a contrast! The enemy wants to rob you of joy, peace, and purpose.

But Jesus came to give you life - not just any life, but ABUNDANT life.

Can you imagine how the world would be if EVERY Christian believed this truth?!

This means that God's desire for you is not just to survive, but to thrive. He wants you to experience His goodness in every area of your life - your relationships, your health, your finances, your career, your ministry. He wants to bless you beyond your wildest dreams and use you to bless others in incredible ways.

Yet so often, we settle for less...

We buy into the lie that we have to struggle, strive, and barely get by. We accept a poverty mindset, thinking that's all we deserve or all that's possible.

THAT'S NOT GOD'S PLAN!

God's plan is abundance. It's fullness of joy, peace that passes understanding, and provision that exceeds your needs. 🌿 It's a life of purpose, passion, and impact. 🔥 It's a life lived in the overflow of His love and grace. ❤️

If you're ready to step into the abundant life Jesus came to give you, comment "ABUNDANT LIFE" below. Let's believe God for breakthroughs, miracles, and more than enough. Let's live in the fullness of all He has for us! AMEN!

📖 Philippians 4:8 reminds us to fix our thoughts on what is true, honorable, right, pure, lovely, and admirable. 🙏

Friends, this verse has been on my heart lately, and I feel compelled to share it. While we often focus on God's goodness (which is amazing!), we also need to be aware of the enemy's subtle tactics. #wisdom

The enemy works gradually, often unnoticed. That's why it's crucial to ask God for discernment and awareness of his schemes. Remember John 10:10: "The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly."

God has planted dreams in your heart that the enemy wants to crush. Don't believe the lies: "You're not good enough," "You have no time," "You're too young/old," "You don't have money." These are all deceptions!

If God gave you those desires, He's also given you the tools to succeed. He's on your side, waiting for you to take action and listen to Him. This is why a daily relationship with God is so important.

I used to be a "Sunday-only" Christian, but now I crave His word and presence daily. His wisdom has become my lifeline.

To anyone struggling with their purpose or dreams: Stay close to the Lord, trust Him, and be alert to the enemy's tricks. You've got this! 💪

Remember Jeremiah 29:11: "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Let's keep our minds fixed on God's truth and our hearts open to His guidance. Who's with me? Comment "AMEN" if you're ready to pursue God's plans for your life! 🙌

☀️ "God gives you the resources for success. But it's up to you to recognize them and use them to their fullest." - T.D. Jakes 🙌

Let that sink in for a moment. How many times have we overlooked the blessings right at our fingertips? 🤔

But here's the truth bomb: Fear is often what holds us back. As author Jennifer Allwood powerfully puts it:

"Fear will convince you to wait, because surely if you're scared, it must be bad timing. Fear will convince you to settle for less than what you deserve. Fear and insecurity will always try to talk us into settling for lesser things. Fear makes us hide. Fear makes us play small. Fear will convince you to settle for less than God's best."

Wow. How many of us can relate to this?

But here's the good news: God has not given us a spirit of fear! Remember Joshua 1:9? "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." 💪

It's time to recognize the resources God has given you and use them boldly.

No more hiding.

No more playing small.

No more settling for less than God's best.

🚀 Breaking Free from Emotional Slavery 🚀

Are you letting your feelings dictate your actions? It's time for a perspective shift! 🔄

The world says "follow your heart," but Jeremiah 17:9 reminds us, "The heart is deceitful above all things and beyond cure. Who can understand it?" 😞

Here's the truth: We're not called to be slaves to our emotions. We're called to take the narrow road, which often means doing what's right even when we don't feel like it.

Matthew 7:13-14 says, "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it."

So how do we break free?

1. Recognize that feelings are temporary, but God's truth is eternal.
2. Take action based on God's Word, not your emotions.
3. Trust that the right feelings will follow obedience.

Remember, even Jesus in the Garden of Gethsemane chose obedience over His emotions (Luke 22:42).

When we align our actions with God's will, regardless of how we feel, we create a path for joy, peace, and purpose to follow. 🌈

Proverbs 16:3 says, "Commit to the LORD whatever you do, and he will establish your plans." 🙏

Are you ready to break free from emotional slavery and walk the narrow road of obedience? Comment "FREEDOM" below if you're committed to letting God's truth, not your feelings, guide your steps! 💪

🔥 Why Only 2% Achieve True Success 🔥

I often get asked: "If ANYONE can be successful and wealthy, why do only 2% achieve it?"

The simple answer? Most people don't want it badly enough.

What they really crave is COMFORT:

- Relaxing after work
- Partying on weekends
- Avoiding awkward situations
- Hiding from potential failure
- Instant gratification
- Universal approval

But here's the truth: The road to success is anything but comfortable.

Success demands:

- Pushing past your limits
- Embracing failure as a teacher
- Working without immediate results
- Making tough choices

If you TRULY want success, get comfortable being UNCOMFORTABLE.

Remember: When you look back on your journey, you'll realize that the struggle was the most transformative part.

Are you ready to leave your comfort zone? Comment "UNCOMFORTABLE" if you're committed to real success! 💪

☀️ Are You Ready for God's Payroll? ☀️

Imagine this: You're living in abundance, doing God's work, and never worrying about finances again. Sounds too good to be true?

Now, let's be clear:

- Financial challenges will still come
- Entrepreneurship has highs and lows
- You'll face ebbs and flows, twists and turns

But chronic financial struggle? That's not God's plan for you!

Many Kingdom entrepreneurs struggle because they're still trying to do things in their own strength. But God has an inheritance for you - and receiving it is easier than you think!

Remember Haggai 2:4: "Be strong and work, for I AM with you!"

 God's Greatest Gift: The Power of Choice 

Our choices shape who we are. Every decision we make is guided by one of two forces: FAITH or FEAR.

For those of you who feel trapped in your situation, GOD has already made a way of escape! It can all be NEW, but your current thinking patterns will NOT get you there. It's time to make a 180! Comment "180" to learn more.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." (Jeremiah 29:11)

Let's focus and meditate on this verse today...

This powerful verse from Jeremiah reminds us of a fundamental truth: God wants us to prosper. He has good plans for our lives - plans that include hope, a future, and yes, even prosperity. But too often, we limit ourselves by our own small thinking or by misunderstandings about what God wants for us.

We also must walk in obedience. 🙏

In our Kingdom Entrepreneur community, we take God at His word. We believe that when we align our business goals with His will, we can experience the prosperity He promises.

This isn't about greed or materialism - it's about stewarding the resources God gives us to bless others and further His kingdom.

Are you feeling stuck? Like you're running on a hamster wheel, never getting ahead? I've got good news for you - God has already prepared your breakthrough! But here's the catch: you won't find it by thinking the same old thoughts.

Remember what the Bible says in Romans 12:2 - "Do not conform to the pattern of this world, but be transformed by the renewing of your mind." That's your key to freedom!

Your current situation isn't your final destination. God has so much more in store for you. But to step into that new reality, you need to change your thinking.

Here's what that might look like:

- Instead of focusing on what you lack, start being grateful for what you have
- Replace "I can't" with "How can I?"
- Stop dwelling on past failures and start envisioning future successes
- Quit comparing yourself to others and start competing with who you were yesterday
- Start declaring the Bible over yourself daily!

This shift won't happen overnight, but with God's help and the right community, you can rewire your thinking. And when you do, watch how quickly your external circumstances begin to change!

Ready to make that shift? Comment "TRANSFORM" below if you're ready to renew your mind and escape the trap of negative thinking. Your breakthrough is waiting!

🔥 People before Profits! 🔥

THAT's how it works in Kingdom Economics!

In today's world, we often hear the phrase "profits over people." But in God's economy, it's the exact opposite. Let's dive deeper...

In the Kingdom of God, there's a direct connection between achieving great success and prosperity and genuinely caring about the people God puts in your path. It's about regarding others as important, rather than solely focusing on working hard for money's sake. This shift in perspective can transform not just your business, but your entire life!

Now, don't get me wrong. I'm NOT saying you shouldn't work diligently or strive to improve your effectiveness and bottom line. You absolutely should! What I'm talking about here is a heart issue - a fundamental shift in your motivations and priorities.

Here's the beautiful truth: God wants us to care more about serving people than we care about money. And here's the amazing part - when we do this, the money will come! It's a divine paradox that defies worldly logic but aligns perfectly with God's principles.

So, how do we put this into practice? It starts with developing a "serve people" heart instead of a "get more money" heart. This means:

1. Prioritizing customer needs over quick profits
2. Treating employees as valuable team members, not just resources
3. Seeking to solve problems and add value, not just make a sale
4. Building genuine relationships, not just business connections
5. Giving generously, even when there's no immediate return

Remember, with God, it's ALWAYS all about people. Period. Nothing is more important to Him! When we align our hearts with this truth, we position ourselves for true Kingdom success.

This doesn't mean sacrificing profitability. In fact, businesses that prioritize people often end up more successful in the long run. Happy customers become loyal advocates. Valued employees work with passion and dedication. Genuine relationships open doors to new opportunities.

So, let's challenge ourselves to embrace this Kingdom perspective. How can you put people first in your business today? How can you serve more authentically? How can you show God's love through your work?

Are you ready to revolutionize your approach to business and success? Comment "KINGDOM" below to join our community of entrepreneurs who are putting these principles into practice every day. Let's change the world, one person-centered business at a time!

He is doing a new thing and I'm so ready for this new season...

Let's go!!!!

Are you ready for a new direction in your life? Comment "NEW" for more info to see what I've been up to!

Is this a "get rich quick" scheme? Let's clear the air.

No, our business isn't about getting rich overnight with no effort. It's a legitimate opportunity with real products and proven strategies. But make no mistake – it requires smart, CONSISTENT work.

Here's the truth:

- We offer powerful products that deliver real value
- Our goal is to help you build a business in just a couple hours a day
- It takes work, but the potential rewards are significant
- Our programs provide tangible results
- We teach cutting-edge marketing strategies anyone can apply

The couple hour workday promise? That comes from using our pre-built automated sales systems and applying the strategies we teach. But remember, success isn't automatic. It takes dedication and effort.

Yes, people are seeing quick results, but they're putting in the work. 🔥

There's no magic money tree here – just solid business principles and modern marketing techniques.

If you can commit 2 hours a day and you're open to learning, you could transform your financial situation. Interested in seeing the exact blueprint I use?

Comment "BLUEPRINT" below, and I'll share how you can get started on your own success journey. All to grow and glorify God's Kingdom! 🙏

What boundaries have you created in your life? What imaginary walls or cages have you unconsciously built for yourself?

God created us with infinite potential! INFINITE! Believe that and tap into your abundant power! There's an old story about a frog in boiling water. If you put a frog in boiling water, it'll jump out immediately. But if you put it in comfortable water and slowly raise the heat, the frog will stay and die.

We're often like that frog. Look at the unhappy faces on the train, bus, or at work. Life has a sneaky way of bringing us to our knees slowly and steadily.

Before you realize it, you've spent 90% of your life doing things that add nothing to your happiness. Waking up early, commuting, working 8-hour shifts just to enjoy weekends and holidays.

There's so much more to life than that!

In today's world, there are many ways to break free. People who've done it can show you how. But it's up to you to take action.

I'm not saying it's easy. It's very hard. But living a mundane life and spending 90% of it building someone else's dream is also hard. PICK YOUR HARD. A few years of intense work to enjoy the remaining 90% of your life? Or working hard for the rest of your life to enjoy just 10%?

The choice is and will always be YOURS. Comment "INFINITE" if you're ready to start building YOUR dream.

"The substance of things hoped for, the evidence of things not seen" - Hebrews 11:1 KJV

Faith is believing in the unseen, in what's never been done, in your ability to achieve the impossible. It's about trusting in your potential, even when you can't see the results yet.

Remember doubting Thomas in the Bible? He wouldn't believe until he saw and touched Jesus' wounds. But Jesus said, "Blessed are those who have not seen and yet have believed."

That's real faith!

The world is full of doubting Thomases, but the most dangerous one is the one inside you. Don't be your own worst critic. Have faith in all things, including in YOURSELF!

Success isn't just a goal to achieve; it's a mindset to cultivate. When you develop that mindset, achieving your goals becomes inevitable.

What are you reading or listening to that's shaping your mindset? I'm constantly learning new approaches to my business with every book I read. Even rereading great books reveals insights I missed before.

Are you feeding your mind with success-oriented material? In our Kingdom online community we have a mindset renewal process. Comment "RENEWAL" to learn more. Let's inspire each other to grow. 🌱

The World's Changing: Where Do You Stand?

There are three types of people in this world:

1. The Movers: Those who make things happen
2. The Watchers: Those who observe from the sidelines
3. The Unaware: Those oblivious to what's happening

Every day, we choose our role. But here's the reality check:

- National debt? Spiraling.
- Economy? Struggling.
- Inflation? Skyrocketing.
- Grocery bills? Up 30%+

Meanwhile, most people's incomes remain stagnant. If you're not taking action, brace yourself for tougher times ahead.

But there's hope! The digital revolution offers opportunities:

- Building your brand on social media
- Leveraging automation for passive income
- Mastering online sales techniques
- Learning smart investment strategies

In today's world, making money online isn't just nice-to-have. It's essential for financial security. Which type of person will you be? The one who adapts and thrives, or the one left behind?

Comment "ADAPT" if you're ready to become a Mover in this changing world!

Why are some Christians uncomfortable with financial success?

Let's talk about a misconception that's holding many believers back: the idea that pursuing wealth is somehow un-Christian.

But what does the Bible actually say?

Proverbs 13:22 tells us, "A good person leaves an inheritance for their children's children." That's not just wealth - that's generational wealth!

God wants us to prosper, not just scrape by. He wants us to leave a legacy that impacts generations to come.

Yet too many Christians settle for less, sometimes even leaving their children burdened with debt. That's not God's plan!

If you're a Christian entrepreneur or feel called to business, I want you to know something: You're in the right place. God has given you those business skills and dreams for a reason. In our Kingdom Entrepreneur Academy, we're helping over **(Input the Activate Breakthrough FB group Members count)** believers build wealth in a way that honors God. We combine:

- Biblical principles
- A supportive community
- Proven strategies for building automated online businesses

The result? Financial freedom that allows us to bless our families and further God's kingdom. Ready to step into the abundance God has for you? Comment "PROSPER" below, and I'll share how you can join our thriving community of Kingdom-minded entrepreneurs.

Let's build wealth God's way - unapologetically and with excellence!

Have you ever scrolled past a "make money online" post and thought, "Yeah, right"? That was me not too long ago.

I saw a friend's post about earning income online and immediately doubt crept in. Not just about the opportunity, but about myself. Could I really do this?

But then, I felt a nudge from God. A whisper saying, "Trust Me."

So, I took a leap of faith. I followed the step-by-step instructions, pushing past my doubts and fears. And you know what? I made my first online dollars!

Now, I'm on a journey of growth, scaling up and seeing new possibilities every day.

Here's what I've learned: Your community can make or break your success. Having people who believe in you, guide you, and cheer you on is priceless.

Are you surrounded by dream-chasers or dream-crushers? If you're missing that supportive community to help you break free from the 9-to-5 grind, don't worry. We've got you!

Comment "UPLIFT" below if you're ready to join a community of faith-driven entrepreneurs. Let's support each other, grow together, and create the life God's calling us to.

Remember, if I can do it, so can you. Your breakthrough might be just one decision away!

****IF YOU HAVE NOT CREATED INCOME YOURSELF YET, I WOULD SAVE THIS POST UNTIL YOU DO OR EDIT FOR IT TO BE AUTHENTIC TO YOUR JOURNEY.**

"I used to scrape by on different odd jobs but I've been able to make more income in a month than I ever did in a 9-5 job. Plus, I love that my business is expanding God's kingdom." - Chris

If you're skeptical, that's okay. I used to be too... But this is as REAL as it gets. Chris is one of many lives and generations that are being radically transformed in our community.

In order to achieve BIG results, you require BIG belief.

Belief in God, and belief in yourself and community.

Are you ready to take the leap? Comment "LEAP" below.

How often do we limit our dreams because we can't figure out the "how"? But here's a powerful truth: God doesn't expect us to have all the answers. Our job is to believe, His job is to provide.

Mark 11:24 reminds us, "Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." This isn't just a nice saying - it's a promise from God!

Think about that for a moment. The Creator of the universe is telling us to believe first, then receive. It's the opposite of how the world tells us to operate!

This applies to every area of our lives, including our businesses and finances. When we pray for success, abundance, or breakthrough, our role is to:

1. Ask with confidence
2. Believe wholeheartedly
3. Act in faith

God's role? He handles the "how." He opens doors we didn't even know existed. He brings people and opportunities into our lives at just the right time.

So, what are you believing for today? A thriving business? Financial freedom? Kingdom impact that spans generations? Whatever it is, dare to believe it's already yours.

Stop worrying about the "how" and start thanking God for the "what." Your breakthrough might be closer than you think!

This is the power of LEVERAGED income. Unlike traditional 9-5 jobs where you're trading time for money, leveraged income works for you 24/7. It's making money while you sleep, vacation, and spend quality time with loved ones.

Want to experience this lifestyle? Ask yourself these 4 crucial questions:

1. Are you living up to your full potential?
2. Do you desire more from life?
3. Do you know how to unlock your true potential?
4. Are you open to guidance and support?

Remember what Henry Ford said: "Whether you think you can, or you think you can't - you're right."

Your mindset shapes your reality. A positive mind opens doors to endless possibilities, while a negative one keeps you stuck.

Time for loved ones. Time for memories. Time for LIVING.

Here's the good news: leveraged income IS possible. The blueprint? Find someone who's done it and follow their path.

It's not about IF you can do it. It's about being WILLING to do what it takes.

"Be Realistic," They Say... But Whose Reality? 🙄

That phrase - it's a DREAM STEALER. It pains me to see struggling people believe success isn't "realistic" for them.

Here's the truth: Reality is shaped by FAITH.

What's impossible for some is an endless possibility for others. Why? Mindset.

My story? I paid off \$65,000 in credit card debt, \$18,000 in student loans, left my 9-to-5, all while caring for my family and helping others. How? By rejecting limited thinking.

We have ONE life. Why not make it extraordinary? Don't let struggles stop your dreams. Let them DRIVE you!

Our path to success wasn't a straight line. We tried various ventures before finding our stride. Some didn't pan out, while others brought in a couple hundred bucks a month. Through it all, our entrepreneurial spirit never wavered.

To all aspiring entrepreneurs out there, here's a piece of hard-earned wisdom: Give your business at least a couple of years before considering a pivot, unless it's clearly misaligned with your life's purpose. Don't throw in the towel after just a few days, weeks, months, or even a year. Pour your heart into it and give it time to flourish.

Remember, a couple of years building your dream is NOTHING compared to four decades in a job you dislike or even hate. As Galatians 6:9 reminds us, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

Positive Mindset, Positive Results: The Power of Your Words 🌟

Your mindset shapes your reality. What you speak about, you attract more into your life. It's a powerful Biblical principle that can transform every aspect of your existence.

"...whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things." - Philippians 4:8-9

Take health, for instance. If you want to be healthy, start speaking positively about getting healthy. Don't dwell on how bad your health is; instead, focus on how healthy you want to become. Learn about nutritious foods, healthy drinks, and effective exercise routines.

Remember, complaining about your health and making negative remarks will only perpetuate negative results.

This principle applies to every area of your life, including your finances. Avoid talking about your problems, even if you're just stating facts. Resist the urge to voice anything negative. It might seem counterintuitive, but even factual negative statements can reinforce unwanted circumstances.

Once you make this shift in mindset, you'll begin to create a more positive life. Watch in amazement as your world starts to change around you. Your words have power - use them wisely!

Taking Ownership: The Key to Kingdom Success 🗝️

We must take responsibility for our own actions and results. I've been guilty of this myself: "Why aren't you helping me?" "Why do you make it harder for me?" "It's because of you that I can't achieve my goals!"

But here's the truth: We're human, not perfect. The key is awareness, recognition, and correction.

We can't rely on others to make us the best version of ourselves. It's our responsibility to make it happen, regardless of obstacles or lack of support. The journey is ours alone!

Be your own biggest fan. Do it for yourself, your children, and future generations. Set the example for those watching. Create a bulletproof mindset that will serve your children in their own lives.

From "Can't" to "How": The Kingdom Entrepreneur's Mindset Shift 

Stop saying "Can't." Start asking "How?"

- How can I reach my God-given goals?
- How can I improve my life for His glory?
- How do I deepen my relationship with God?
- How can I make my dreams come true?
- How do I steward my finances better and pay off debt?
- How can I lose weight and live a healthier life?
- How can I start a business that honors God?

Whatever you want in life, ask yourself HOW you can achieve it. "Can't" is not in God's vocabulary, and it shouldn't be in yours either.

"I can do all things through Christ who strengthens me." - Philippians 4:13

When there's a will aligned with God's purpose, there's always a way!

Ready to transform your mindset and grow an automated online business? Comment below and ask me "HOW" 😊

Stop FEARING what can go wrong. Instead, BELIEVE in how much more you can gain for God's Kingdom!

Fear keeps you stagnant, but faith propels you forward. Have faith, believe, think BIG, dream big, but most importantly, take ACTION!

Remember, plans may change, but your God-given goal should remain constant.

Are you:

- Seeking success in your Kingdom business?
- Striving to quit your job through your business?
- Putting in the necessary time and sacrifice?
- Not seeing the results you desire?

If you're not getting the results you want, it's time for some soul-searching. Little improvement is good, but if you're expecting FAST results with minimal effort and sacrifice, you're on the wrong path.

It's astounding how many people desperately want to leave their jobs but aren't willing to go all-in. You must be ready to sacrifice EVERYTHING except your time with the Lord - that's your source of strength and guidance.

What does sacrifice look like? Saying "NO" to: Movies, TV, video games, endless social media scrolling, unnecessary shopping, addictions, and anything that doesn't add value to your business.

I'm sharing this because I care. It brings me JOY to see Kingdom entrepreneurs SUCCEED and ACHIEVE their God-given goals.

"Be Realistic," They Say... But Whose Reality? 🙄

That phrase - it's a DREAM STEALER. It pains me to see struggling people believe success isn't "realistic" for them.

Here's the truth: Reality is shaped by FAITH.

"For nothing will be impossible with God." - Luke 1:37

What seems impossible to some is endless possibility for others. Why? It's all about perspective and faith.

My Kingdom Business journey? I paid off \$65,000 in credit card debt, \$18,000 in student loans, left my 9-to-5, all while caring for my family and helping others. How? By rejecting limited thinking and embracing God's limitless vision.

We have ONE life. Why not make it extraordinary for God's glory?

I pray for those with limited vision to OPEN their minds to the ENDLESS possibilities God has for them.

Are you ready to expand your reality and chase God-sized dreams? Comment "LIMITLESS" below, and I'll show you how.

Let's redefine what's "realistic" in Kingdom business together! 🚀🙌

Never forget how deeply loved you are by God.

In Romans 8:38-39, it says, 'For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.'

I'm not sure who needs to hear this, but let this truth sink into your heart today: You are cherished, you are valued, and you are destined for greatness. Let's embrace His love and walk confidently in His promises.

Embracing God's love is crucial for every aspect of our lives. When we don't fully receive and internalize His love, it affects our confidence, belief, and ability to pursue our God-given purpose. Our self-worth, relationships, and even our business decisions can suffer when we're not rooted in His unconditional love.

That's why, before diving into any business strategies or systems, it's essential to renew our minds in Christ's love. A Kingdom-focused business can only truly flourish when it's built on a foundation of God's love and a renewed mindset.

Ready to start your journey of building a love-driven, Kingdom-focused online business? Comment "RENEWED" below to join our community. We'll guide you through our Biblical renewal process first, ensuring you're grounded in God's love before we explore the practical aspects of building your business. Let's create something beautiful for His glory together!

Let's talk about the intersection of faith and finances.

In Malachi 3:10, God challenges us to 'bring the whole tithe into the storehouse... and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it.'

Isn't that incredible?!

By honoring God with our finances, we position ourselves to receive His abundant blessings. This principle doesn't just apply to our personal finances, but also to how we approach business and entrepreneurship.

When we align our business practices with Biblical principles, we open ourselves up to God's guidance and provision. It's not just about making money, but about stewarding resources in a way that honors God and serves others.

Let's step out in faith and trust in His provision for our lives and businesses!

Let's be world-changers, friends!

Matthew 5:14 reminds us that we are the 'light of the world.'

Each of us has a unique calling and purpose to make a difference in the lives of others. Let's allow our faith to fuel our passion for impact and inspire those around us to do the same. Together, let's shine brightly and illuminate the darkness with God's love and truth!

Have you ever been asked, "What do you want to be when you grow up?"

Most of us heard this question as kids, and we probably ask our own children the same. But here's a more powerful question: "What kind of life do you want to live? What kind of lifestyle do you want to have?"

The traditional question often points us towards the conventional job route - working 40 hours a week until we're 65. While this path works for some, the reality is that full-time jobs usually don't give us the things we actually want in life. It's why so many people reach middle age feeling unfulfilled, wondering, "Is this all there is?"

If the traditional route was the perfect solution, we wouldn't see so many people struggling financially, missing out on precious time with loved ones, and feeling a deep ache as they go through the mundane everyday grind.

So, what's the perfect solution?

I've found something that's pretty close to perfect for me. It's an opportunity that allows me to:

1. Add more income to my life
2. Free up my time
3. Work from anywhere I want
4. Create a schedule that fits my life
5. Improve life for myself, my family, and my community
6. Make choices rather than feeling like they're made for me
7. Experience more freedom and joy

I've realized that creating a life around "what I wanted to be when I grew up" didn't deliver on the things that matter most to me. Now, I'm prioritizing "what kind of life I want to live," and the difference has been incredible.

After all, we only get one life. Shouldn't we make it the best it can be?

If you know it's time to find a better way and start living the life you've always wanted, I invite you to join my free training. Imagine your business as a garden entrusted to you by the Master Gardener Himself. 🌱🙏

In this garden:

- Your skills and talents are the seeds
- Your efforts and dedication are the daily watering
- Your faith is the sunlight that helps everything grow

Now, here's the truth: You can't blame the soil (your circumstances), the weather (the economy), or other gardeners (competitors) for your harvest. The growth is ultimately between you and the Master Gardener.

I've been there, friends. I used to look at others' lush gardens and make excuses for my wilting plants: "Their soil is better than mine." "They got more rain than I did." "Those gardeners have better tools."

But then I had a revelation: God has given each of us exactly what we need to cultivate abundance!

I've learned to stop pointing fingers and start getting my hands dirty in faith. And let me tell you, the fruits have been more abundant than I could have ever imagined!

Here's what changed:

1. I started seeing challenges as opportunities for growth
2. I focused on tending my own garden instead of comparing it to others
3. I learned to trust the Master Gardener's timing and wisdom
4. I surrounded myself with fellow faith-filled gardeners who encourage and inspire me

Now, my Kingdom business garden is flourishing, and I'm able to share the harvest with others, planting seeds of hope and opportunity wherever I go.

Want to cultivate a thriving Kingdom business garden of your own? It's time to roll up your sleeves, get your hands in the soil of God's promises, and watch miracles grow!

I've been there. But here's what I've learned: sometimes, stepping out in faith IS the path to financial breakthrough.

God often calls us to invest in His vision before we see the full picture.

- He wants us to co-create it with Him!

The enemy whispers lies, but God speaks truth.

Which voice are you listening to? It's easy to get caught up in the noise of self-doubt and fear, drowning out God's gentle guidance. But here's the key: God's truth becomes clearer and stronger when we intentionally tune our hearts to hear it.

John 10:27 reminds us, 'My sheep listen to my voice; I know them, and they follow me.' But how can we recognize His voice if we're not familiar with His Word? It's crucial to create space in our busy lives for God's truth to penetrate. This means regularly reading Scripture, spending time in prayer, and practicing active listening. We must clear out the clutter of worldly distractions and limiting beliefs that often cloud our judgment.

Our community of truth-seekers and game-changers is committed to helping you discern God's voice in the marketplace. We're not just building businesses; we're cultivating a lifestyle of spiritual attunement. Together, we're learning to silence the lies, amplify God's truth, and step confidently into the fullness of our calling.

Thank you, Jesus, for plans far better than we could imagine! 🙏✈️

Your attitude determines your altitude, but here's the secret sauce: gratitude determines your attitude!

As Kingdom entrepreneurs, our perspective is everything. Choose thankfulness, and watch how it transforms your business and life:

- Thankful for challenges? They become growth opportunities.
- Grateful for small wins? They become stepping stones to bigger victories.
- Appreciative of your journey? It becomes a testimony that inspires others.

Today, I choose THANKFULNESS:

- For every hurting heart that finds joy
- For God's children uniting in purpose
- For discernment in business decisions
-

Remember Philippians 4:6-7: "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God."

No matter what, God wins. And as His entrepreneurs, so do we if we walk in obedience and surrender!

I often talk about creating a Kingdom online business, but let's dive deeper. What does 'Kingdom' really mean?

The Kingdom = Doing things God's way, not the world's way. Bringing Heaven to earth.

In Kingdom business, we:

- Pray before we plan
- Tithe and walk in obedience to God's Living & Active WORD
- Give generously, beyond obligation
- Partner with the Holy Spirit
- Speak life and truth over everything and everyone
- Seek forgiveness when we fall short
- Pursue God and His Kingdom FIRST

Matthew 6:33 reminds us: "But seek first his kingdom and his righteousness, and all these things will be given to you as well."

This isn't just business - it's a divine calling to transform the marketplace!

When I talk about building a Kingdom online business, I'm not just throwing around buzzwords. I'm inviting you into a radical shift in how we approach entrepreneurship. The Kingdom of God isn't about fancy church buildings or religious rituals - it's about doing life, including business, God's way.

Imagine a business where prayer is your first strategy meeting of the day. Where tithing isn't a burden, but a joyful act of partnership with God. Picture a community culture where generosity flows freely, where the Holy Spirit is your ultimate business advisor, and where speaking life and truth is as natural as breathing.

This is Kingdom business. It's where seeking forgiveness isn't a sign of weakness, but of strength and integrity. It's where pursuing God and His Kingdom isn't an afterthought, but the very foundation of every decision you make.

Are you tired of the world's cutthroat business tactics? Ready to build something that not only turns a profit but transforms lives? Then it's time to step into the Kingdom way of doing business.

If you're feeling a stirring in your spirit, a call to higher ground in your entrepreneurial journey, I invite you to join our community of faith-driven business builders. Comment 'KINGDOM SHIFT' below, and let's explore how you can create a business that doesn't just make money, but makes a difference for eternity.

Together, let's rewrite the rules of business and show the world what it looks like when God is the CEO. Your Kingdom business adventure awaits!

Ever wonder what it truly means to run a 'Kingdom' business? It's not just slapping a Bible verse on your website. It's a total mindset shift.

In Kingdom business, we flip the script:

- Prayer becomes our strategy sessions
- Generosity fuels our growth
- The Holy Spirit is our ultimate advisor

We're not just chasing profits; we're pursuing purpose. We're building businesses that reflect God's heart and transform lives.

Curious about how to align your entrepreneurial spirit with God's principles? Ready to build a business that makes both money and a difference?

Comment 'KINGDOM' below. Let's explore how you can create an online business that honors God and impacts eternity. No hype, just authentic, faith-driven success.

It's time to do business God's way. Are you in?

Picture this:

FAITH whispers, 'Something amazing is just around the corner!' FEAR shouts, 'Danger ahead! Turn back now!'

Both speak of futures unseen, yet their impacts couldn't be more different.

FAITH is the rocket fuel for your dreams. FEAR is the anchor holding you back.

When I stood at this crossroads, staring at the uncharted territory of online business, FEAR tried to convince me I was unqualified, unprepared, and unworthy.

But FAITH? Faith reminded me of a God who uses the foolish things to confound the wise (1 Corinthians 1:27).

I chose FAITH. And you know what? That's when I heard God's voice loud and clear: 'YOU ARE AN OVERCOMER.'

Now, I'm inviting you to make the same choice. To step out of the boat like Peter, eyes fixed on Jesus, not the waves.

Ready to silence FEAR and amplify FAITH in your entrepreneurial journey? To build a Kingdom-focused online business that defies worldly logic?

But guess what? You serve a God who specializes in using imperfect people for His perfect plans. A God who takes mustard seed faith and grows it into mountain-moving belief.

Your first step doesn't have to be perfect. It just has to be taken. In faith. In obedience. In partnership with the Creator of the universe.

Zechariah 4:10

Friend, hear this: Your 'not enough' is God's 'more than enough.'

That small idea? It could be the seed of a world-changing enterprise.
That tiny budget? It might be the start of a financial legacy that funds ministries for generations.
That little bit of faith? It's all God needs to move mountains.

Remember David with his five stones facing Goliath? Or the boy with five loaves and two fish feeding thousands? God specializes in doing extraordinary things through ordinary people who simply show up.

Your Kingdom business doesn't need to start big. It just needs to start.

What if today was the day you decided to:

- Stop waiting for 'someday' and embrace your 'Day One'
- Trade your 'What ifs' for 'Why not's'
- Replace your 'I can't' with God's 'We can'

Your small beginning could be the foundation of something bigger than you've ever imagined.

Beloved, it's time to align your business plans with God's prosperity plans!

But let's be clear: This isn't about getting rich quick. It's about getting right with your calling. It's about building a business that doesn't just fill your bank account, but fulfills your God-given purpose.

Imagine waking up every day knowing that:

- Your work is worship
- Your business is ministry
- Your profit fuels Kingdom projects

This isn't a pipe dream. It's your divine destiny waiting to unfold.

But here's the thing: God's plans don't activate themselves. They require your participation. Your faith. Your action.

You've been faithful in the small things. Now God's calling you to bigger waters. To build a business that doesn't just make a living, but makes a difference.

SPEAK LIFE 

Want to build a thriving online business? Start by speaking it into existence!

Proverbs 18:21 reminds us, 'Death and life are in the power of the tongue.' So let's use that power wisely!

Instead of saying:

✗ 'My business is struggling'

✓ Declare: 'My Kingdom venture is growing and prospering!'

✗ 'I can't afford to invest'

✓ Proclaim: 'God is providing all I need to succeed!'

✗ 'I'm not tech-savvy enough'

✓ Affirm: 'I'm learning and improving every day!'

This principle applies to EVERY area:

- Health
- Finances
- Relationships
- Business growth

Stop focusing on problems. Even if they're facts! Instead, speak about the solution you're working towards.

Action Steps:

1. Identify negative speech patterns
2. Replace them with faith-filled declarations
3. Watch as your mindset - and your business - transform!

Remember, the Holy Spirit is your ultimate mindset coach. He's eager to help you renew your mind and transform your life!

I felt this shift personally when God placed a desire in my heart. When I declared, 'Lord, I know it's achievable with You,' He confirmed it with a resounding 'YES!'

If God's given you a vision for a Kingdom-focused online business, keep pursuing it! It may not happen overnight, but stay on the path. Your breakthrough is coming!

Ready to speak life over your entrepreneurial journey? Comment 'SPEAK LIFE' below for access to our Mindset Renewal course. We start there before we dive into business. Let's transform your thoughts, words, and business together!

WINNERS PERSPECTIVE.

Have you ever heard the story about two guys who sold shoes?

One of the guys went to a remote island and saw that everyone on the island was barefoot. He came back defeated and said, "I have no shot with these people. None of them wear shoes."

The other guy went to the same exact island and came back completely exhilarated screaming, "I'm gonna be RICH! None of these people have shoes!"

It's just PERSPECTIVE.

You may look at the world of online business and see:

- People who are scared to get started
- Folks struggling to make ends meet
- People questioning your motives

Do you think: "This market's hopeless. No one gets online business." OR "Holy cow! Everyone here needs what I've got!"

It's the SAME situation. Different PERSPECTIVE.

Many people live a life of fear, doubt and skepticism about the digital world. Although these emotions are there to protect us, for some, they end up controlling us.

If you understand the statement; How you do ANYTHING is how you do EVERYTHING, you'll realize that you don't just have fear, doubt and skepticism of things presented to you online, but you also have fear, doubt and skepticism of yourself and your own abilities in the digital space.

It takes work, but if you can replace those emotions with FAITH and TRUST in your ability to serve in the digital marketplace, you'll go very far.

Do you think God put us on this earth to live a defeated life full of struggle and despair, even in the digital age?

I DON'T THINK SO

God wants us to live our BEST LIFE online and offline, give all glory to HIM which adds names to the Kingdom of Heaven.

Ready to shift your perspective and conquer the digital world for the Kingdom? Comment "DIGITAL FAITH" below. Let's turn those barefoot islanders into your thriving online community!

When I started this journey, I was the most unlikely entrepreneur. Shy, unskilled, and full of self-doubt. But God had other plans.

What I lacked in ability, I made up for in HUNGER for CHANGE.

I needed transformation in every area of life - finances, health, mindset, you name it. Then I saw someone succeeding in this business and thought, "If God can use them, why not me?"

Deuteronomy 31:6 became my lifeline: 'Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you.'

I committed to learn, grow, and step out in faith. Why? Because staying where I was wasn't an option anymore.

Are you feeling that divine discontent? That God-given hunger for change?

- Seeking financial freedom?
- Desiring better health?
- Needing a mindset shift?

God's plan for you might look different than the world's solutions.

If you're in a season of change, I'd love to connect. Your breakthrough could be one decision away. Remember, God often uses the unlikely to do the extraordinary (1 Corinthians 1:27). WAKE-UP CALL FOR KINGDOM ENTREPRENEURS 🚨

I recently saw a homeless man turn down honest work because it was 'beneath him.' I've witnessed aspiring entrepreneurs quit after just one month because it was 'too hard.' I've seen people relate to my story of struggle, yet do nothing to change their situation.

Here's the harsh truth: If you want God-ordained change in your life, you must reach your 'ENOUGH IS ENOUGH' moment.

Proverbs 6:6-8 tells us, 'Go to the ant, you sluggard; consider its ways and be wise! It has no commander, no overseer or ruler, yet it stores its provisions in summer and gathers its food at harvest.'

It's time to:

- Roll up your sleeves for God's Kingdom
- Get uncomfortable for your calling
- Face your fears with faith

STOP:

- ✗ Blaming others for your situation
- ✗ Wallowing in your problems
- ✗ Repeating cycles that keep you stuck

START:

- ✓ Believing in the potential God put in you
- ✓ Seeking His guidance for solutions
- ✓ Working towards your God-given goals

Remember Philippians 3:13-14: 'Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.'

If you do nothing, the next 5 years will mirror the last 5. But with Christ, you can rewrite your future starting TODAY.

What have you eliminated from your life lately that's holding you back? As much as we want to add to our lives, it's even more important to intentionally get rid of what's not working.

For me, it was mental clutter. I've learned to guard my thoughts fiercely this year, and the results have been game-changing!

Proverbs 4:23 reminds us, 'Above all else, guard your heart, for everything you do flows from it.'

- 'I can't succeed because of them!'

Sound familiar?

Then God showed me a hard truth: I was the common denominator in all my setbacks. 😬

Let's get real about that Monday morning feeling for a sec. 🌅

You know that pit in your stomach on Sunday nights? I've been there too. But here's the thing – our attitude and heart posture matter more than we realize.

If you're feeling stuck in your 9-5, dreading Mondays, and craving something more, the first shift needs to happen right here in your heart. ❤️

God sees our heart. He cares about our heart. And gratitude? It's like a key that unlocks so much.

So here's a challenge: Start with thankfulness WHILE you pray about next steps. Be grateful for what you have, even as you pursue something better. It's not about settling – it's about recognizing God's faithfulness in every season.

I learned this the hard way, but it changed everything. When I started thanking God for my job (yes, even the one I wanted to leave), doors began to open. That's when I discovered how to align my work with my faith, and now? Every day feels purposeful.

Want to know how to make this shift and potentially turn your passions into a Kingdom-driven business? Drop a 'GRATEFUL HEART' in the comments.

I'll share how our community of [\(Input the Activate Breakthrough FB group Members count\)](#) believers are building businesses with gratitude as the foundation. It's amazing what can happen when we change our perspective! 🙏

Struggle taught me dedication.
Failure taught me humility.
Loss taught me appreciation.

If I could turn back time, I wouldn't erase a single shortcoming or sleepless night. Why?
Because growth happens when we're stretched beyond our limits.

Comfort is the dream-killer. ☁️❌

The area you get comfortable is the area you'll stagnate.

Our online business journey started slow - just trying to pay off credit cards. But after a business convention, we decided to level up.

Fear of failure? Gone. Why? Because I saw others succeeding - people from all walks of life. I thought, 'If they can do it, so can we!'

Imagine if I'd listened to those limiting beliefs:

'You don't have the skills'

'You don't have the time'

'You're not like them'

I would've failed before I even started...

Here's the truth: God didn't create you for mediocrity. He created you to thrive!

Ready to remove those limiting beliefs and level up your life!?

Comment 'LIMITLESS' below to learn how you can start your own faith-driven online business. It's time to take CONTROL of your thoughts and let God take control of your future. 🚀🙏

Who's in Control: You or Your Thoughts?

Are you steering your mind, or is it steering you?

Remember, we have the POWER to choose. God gave us a spirit of power, love, and self-discipline (2 Timothy 1:7).

Exercising this power allows us to CREATE the life we TRULY WANT - the life God designed for us.

Imagine building a business aligned with your faith, where every thought serves your God-given purpose. Our thoughts drive our actions. We must take every thought captive! (2 Corinthians 10:5)

Buy Rental Property: 'What if they stop paying?'

Get an Amazon Store: 'What if Amazon shuts down?'

Sound familiar? These 'what ifs' are the chains holding you back from God's abundance. Proverbs 23:7 says, 'As a person thinks in their heart, so are they.'

While we're busy praising God for His goodness, the enemy's out there working overtime. But here's the deal - God's got BIGGER plans for you than the enemy's got schemes. And only God knows and holds the future in His hands.

John 10:10 reminds us: 'The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly.'

So, future Kingdom entrepreneur, listen up!

Those whispers telling you:

'It's too risky'

'You don't have what it takes'

'Now's not the right time'

They're not from God. They're dream-stealers.

If God planted that business idea, He's already equipped you for success!

Hey, can we talk about something that's been on my heart? 💖

You know how many believers have been told that money is the root of all evil? Well, that's not quite right. The Bible actually says it's the LOVE of money that's the problem.

But let's be honest, money is a tool we get to use to steward. Whether it's through giving, providing for our family, having enough to invest in our health and wellness... We cannot ignore our financial health as Christians, yet so many still believe that scraping by is somehow more holy?

Deuteronomy 8:18 reminds us: 'Remember the LORD your God, for it is he who gives you the ability to produce wealth.'

- Build wealth God's way

Check out my business mentors Jason & Nellie's story:

'This is a God sent for our family! Praise God, we were able to quit our jobs as a mechanic and banker, have time freedom to homeschool our kids & travel the world, purchase multiple homes and sow into numerous ministries and organizations that we care about!'

Sounds unbelievable, right? I get it. Your first thoughts might be:

- 'They got lucky'
- 'They must have something I don't'
- 'How is this even real?'
- 'Are people really living like this?'
- 'Is it possible for me too?'

Let's be real - most of us brush off testimonies like this. We've been conditioned to expect struggle, not abundance. 🤔

But what if God's blessings are bigger than our doubts?

Jason & Nellie weren't born into wealth. They were a mechanic and a banker who said YES to God's call. They took a leap of faith into Kingdom entrepreneurship, and look what happened! Their secret? 'All he wants is our YES and he'll take care of the rest as we walk in his assignments!'

Now, I'm not promising you'll have the exact same results. But I AM saying that God's abundance is available to all who step out in faith.

Our community of **(Input the Activate Breakthrough FB group Members count)** Kingdom entrepreneurs is filled with stories like Jason & Nellie's. Regular people experiencing extraordinary blessings by aligning their work with God's purpose.

Yeah, that one. And I also see that little voice telling you, 'You don't have what it takes.'

Well, friend, I've got some news for you - that voice? It's a liar.

Remember David? He was just a shepherd boy. But God saw a king.

Here's the thing: the most successful people aren't the ones who fit in. They're the ones who dare to be different. They challenge the 'norm' and think outside the box.

And you know what? That's exactly what we're called to do as Kingdom entrepreneurs! In our Kingdom online biz community, we're not chasing the world's definition of success. We're after Kingdom success. That means:

- Using our God-given talents to serve others
- Building businesses that honor Him
- Living debt free
- Creating wealth to fund Kingdom work

And the best part? You don't need a fancy degree or years of experience. You just need faith, willingness to learn, and a heart to serve.

Still feeling scared? That's okay. Courage isn't the absence of fear - it's taking action despite it.

Let's talk about the POWER of prayer! 🙏

God truly answers prayers. But there's a catch - prayers must be met with obedience.

You see, it's not enough to just pray and then go right back to old habits. We can't plead with God for breakthrough and then curse our neighbor. We can't ask for divine help and then turn around and condemn others. That's not how it works in God's economy!

Real transformation comes when we align our actions with our prayers. When we drop the anger, laziness, lust, jealousy, pride, and sin that hold us back. When we choose obedience, that's when we see God move mountains and make ways where there seemed to be no way.

Want to see real change in your life and business? Start by pairing your prayers with obedience. Watch as God opens doors you never even knew existed!

Ready to experience the full power of prayer in your entrepreneurial journey? Type "PRAYER POWERED" below to join our community of Kingdom-focused entrepreneurs. We'll show you how to start and grow an automated online business for God's glory! 🚀🙏

Trust me, when you combine faith-filled prayer with purposeful obedience, there's no limit to what God can do through you and your business!

Meet my friend Thao, whose life was forever changed by stepping out in faith:

"After many years of studying and working without ever having enough finances and time for myself and my family, I was always afraid and hesitant to make changes.

But after an episode of exhaustion that left me bedridden, I prayed through my tears, and God gave me this opportunity. Now, I am free in every aspect."

Here's what God's blessing looks like for Thao:

- Traveling the world with her son and family
- Owning dream homes in various countries
- Helping many families in need
- Creating an amazing environment for her family to thrive

"My Son is very proud of us, and my entire family is deeply grateful for God's blessings."

This isn't just about financial success. It's about answering God's call, strengthening family bonds, living out your purpose, and blessing others abundantly...

Thao's story of transformation could be YOUR story too.

Are you ready to embrace the opportunity God has for you?

Type "OPPORTUNITY" below to learn how you can start your own journey of faith-driven transformation.

Your breakthrough is waiting. Will you answer the call? 🚀🙏

"Your perception of reality is MORE REAL than reality itself."

Let that sink in for a moment. 🤯

Let me share a quick story. Someone told us our business would struggle because "times are hard." But guess what? In our reality, we'd sold nearly 10 machines in just two and a half weeks!

The lesson? The reality you perceive is the reality you create. If you believe life is hard, it will be. If you think financial freedom is impossible, it becomes your truth. But here's the exciting part - change starts from within! Start believing, and you'll start seeing. 🙌

Now, let's talk about "luck." What most call luck is actually God's perfect timing - the serendipitous coming together of situations and events when you take courageous action towards your belief or dream. In a sense, we truly MAKE our own luck!

Remember, you are a child of God. Your playing small doesn't serve the world. We are ALL meant to shine, as children do. We were born to make manifest the glory of God within us. And as we let our own light shine, we give others permission to do the same.

TRUE DESIRE for something is God's PROOF, sent beforehand, that He's already given it to you. When God creates a DREAM, He looks for a DREAMER to fulfill it.

The next moves? They're all on us.

Are you ready to shift your perception, embrace your God-given dreams, and create the reality He's designed for you? Type "KINGDOM REALITY" below to join our community of faith-driven entrepreneurs who are doing just that!

Let's shine our light together and transform not just our businesses, but the world for His glory!

In this fearful world we live in, I meet so many people desperate for change but paralyzed by the "what ifs." What if I fail? What if it doesn't work? What if I don't succeed?

But remember, FEAR IS A LIAR. ✨

It breaks my heart to see people letting fear guide their decisions. If I had listened to fear, I'd still be **changing oil at that car dealership**. Instead, I chose to guide my decisions by FAITH, not fear.

FEAR KILLS MORE DREAMS THAN FAILURE EVER DID.

Fear of the unknown, fear of the past, fear of loss, fear of other people's opinions - these are dream killers. But they don't have to be YOUR dream killers.

It's time to kill the fear and operate on a mindset of FAITH. Because one simple decision guided by faith can change your life forever. 🙏✨

Here's a question that shakes me to my core: At the end of your years, when you look back at the time you had on this Earth, will you be able to say you lived life exactly how you wanted? Don't let fear rob you of the amazing life God has planned for you.

Choose faith. Choose courage. Choose to live fully for His glory.

Are you ready to step out of fear and into faith? To build a business and life that honors God and fulfills your purpose? Type "FAITH OVER FEAR" below to join our community of bold, faith-driven entrepreneurs.

"Be willing to live a few years of your life how most people won't, so you can live the rest of your life how most people can't."

Let that sink in for a moment. 🤔

God's calling you to an extraordinary life, but are you ready to make extraordinary choices? Think about it:

- Noah spent years building an ark before the first raindrop
- Joseph endured prison before ruling Egypt
- Jesus lived 30 years in obscurity before 3 years of world-changing ministry

What if your next few years of sacrifice could lead to:

- Financial abundance to fund Kingdom work 💰
- More time freedom to serve God and family 🕒
- A legacy that impacts generations 🌱

Kingdom Entrepreneurs, let's get real for a moment. 🙏

What has this year taught YOU to appreciate more? For me, it's the power of perseverance in the face of adversity.

There have been countless times I wanted to give up on the dreams and calling God placed before me. Let's face it - quitting is always easier than pushing through obstacles and challenges. But here's the truth: No one who's achieved success will tell you they haven't faced failures, rejection, self-doubt, and high risks along the way.

Remember Romans 5:3-5? "We also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope." That's not just beautiful scripture - it's a roadmap for our entrepreneurial journey!

Before starting our home-based business, we were desperate for change:

- In our finances (goodbye, paycheck-to-paycheck life!)
- In our health
- In our lost time
- In our overall wellbeing: mentally, emotionally, spiritually, and physically

Sound familiar? If so, don't just look for a second job. Instead, consider starting an online business that can help create the prosperous future you've always desired. Turn that "someday" life into a "very soon" reality!

Here's a mindset shift that changed everything for me: Stop saying "I can't" and start asking "How can I?"

- How can I reach my goals?
- How can I improve my life?
- How do I get into a deeper relationship with God?
- How can I make my dreams come true?
- How can I start my own business?

Whatever you want in life, ask yourself HOW you can do it, pray on it, and go for it! Remember, "can't" is not in God's vocabulary. When there's a will (and faith!), there's a way.

Now, if you could go back and tell your younger self anything, what would it be? 🤔

Ready to appreciate your journey while pursuing your God-given calling? Type "PERSEVERE" below to join our community of determined, faith-driven entrepreneurs and get the business blue-print to change your life.

Let's transform our "I can't" into "How can I?" and watch God work miracles in our lives and businesses! 📁🙌🌟

Ever heard the saying, "Show me your 5 closest friends and I'll show you your future"? It's more than just a catchy phrase - it's a powerful truth that can shape your destiny.

Who we surround ourselves with has a major impact on our lives, our growth, and yes, even our business success. It's time for some honest self-reflection. Are the people closest to you lifting you up or holding you back? Are they fueling your faith or feeding your doubts?

Let's make a bold move today:

1. Evaluate your circle 🔍
2. Identify any toxic relationships that hinder your growth ⚠️
3. Have the courage to distance yourself from negative influences 💪

Now, here's the exciting part. Let's intentionally surround ourselves with:

- People of faith 🙏
- People of passion 🔥
- People of gratitude 🙌
- People who are committed to growth 📈

Remember, Proverbs 27:17 tells us, "As iron sharpens iron, so one person sharpens another." Your circle should be sharpening you, challenging you to grow closer to God and step fully into your calling.

Are you ready to level up your inner circle and, in turn, your future? Type "KINGDOM CIRCLE" below to connect with a community of faith-driven entrepreneurs who are passionate about growth, gratitude, and God's purpose.
